Programme Benefits

About us.

At Train Together, an Ofsted-rated "Good" provider, we bring over a decade of expertise in delivering specialised apprenticeship training, with a deep commitment to nurturing the next generation of professionals in the children, young people, and families sector.

Our Level 4 Children, Young People and Families Practitioner apprenticeship programme is carefully designed to equip your team with the essential skills, comprehensive knowledge, and the confidence necessary to excel in their roles. This programme focuses on the critical areas of safeguarding, health and well-being, and building meaningful relationships, ensuring your staff are fully prepared to support the diverse needs of children, young people, and families.

Partnering with Train Together gives you access to training solutions that are customised to the unique needs of your service. Our programmes are designed not only to improve the quality of care and support provided but also to ensure full compliance with the latest regulatory requirements. This commitment to quality helps your organisation maintain a reputation for excellence in the children, young people, and families sector, creating a positive and impactful environment where those you serve can flourish.

About us.

We are committed to helping you build a team of highly skilled practitioners who can deliver exceptional care and support to children, young people, and families with confidence and expertise.

By investing in our Level 4 Children, Young People and Families Practitioner apprenticeship, you're not just enhancing your staff's capabilities; you're investing in the long-term success and development of your entire service. With Train Together, you can rely on a partnership dedicated to achieving impactful outcomes, tailored to the specific needs of the children, young people, and families you support.

Our Values and What Makes Us Tick

Nurture: Maintaining excellent relationships with stakeholders is key to meeting our vision and mission.

Courageous: We embrace difficult conversations and are committed to walking the walk, not just talking the talk.

Genuine: Transparency in all we do ensures clear and clean communication with all stakeholders.

Dedicated: We go above and beyond for our learners and clients, offering excellent resources and support to achieve their goals.

Empower: Providing information, advice, and guidance enables excellent decision-making and helps our partners meet their objectives.

Understanding The Challenge

01

Addressing Complex Needs of Children and Young People:

Working with children and young people who have complex emotional, social, and developmental needs requires specialised knowledge and skills to provide effective support and interventions.

Safeguarding and Promoting Welfare: Safeguarding vulnerable children and young people while promoting their welfare is a critical responsibility that requires vigilance and thorough understanding of safeguarding protocols.

02

03

Navigating Multi-Agency Collaboration: Coordinating with multiple agencies, such as social services, education, and healthcare, can be complex and may lead to fragmented care if not managed effectively.

Promoting Positive Outcomes through Targeted Interventions: Ensuring that interventions are effective in promoting long-term positive outcomes for children and young people requires careful planning, execution, and monitoring.

04

A Collaborative Solution

01

Addressing Complex Needs of Children and Young People:

The programme equips practitioners with the expertise to assess and respond to complex needs using evidence-based practices, ensuring that tailored support plans are implemented to promote positive outcomes.

Safeguarding and Promoting Welfare: The apprenticeship provides comprehensive training in safeguarding, enabling practitioners to identify risks, follow proper procedures, and create a safe environment that prioritises the well-being and protection of all children and young people in their care.

02

03

Navigating Multi-Agency Collaboration: The apprenticeship trains practitioners in multi-agency collaboration, teaching them how to effectively coordinate with other professionals, ensuring cohesive and comprehensive support for children, young people, and their families.

Promoting Positive Outcomes through Targeted Interventions: Practitioners develop the skills to design and implement targeted interventions, using evidence-based methods and regular reviews to adapt and improve strategies, ensuring that interventions lead to meaningful and sustained improvements in the lives of children and young people.

Months 16-18

End Point Assessment

Upon successful completion of the on-programme learning, you will undergo a comprehensive final end-point assessment designed to showcase your development throughout the programme. This assessment consists of two components:

Professional Discussion

A reflective discussion based on the apprentice's portfolio of evidence, assessing their understanding, application of knowledge, and critical evaluation of their practice. It also explores how the apprentice has met the required competencies and their ability to link theory to practice.

Observation

Observing the learners ability to apply knowledge and skills in real-world scenarios. This includes their effectiveness in communication, safeguarding, and managing challenging situations, ensuring their practice aligns with ethical and legal standards.

Programme Benefits

Employer

Enhance business support, improve outcomes, ensure compliance with sector regulations, and invest in staff development and retention by promoting a skilled, motivated workforce.

Employee

Gain a recognised qualification, enhance career progression, build confidence and competence and provide comprehensive skills to support business operations.
